Attention All Hams.....

Save your nickels and dimes for the BIG SOCIAL on July 27th at the Westward Hotel. A FIRST for KL7AA and Alaska. Harry Dannals W2HD, President of ARRL and Robert Thurston, W7PGY, Director of the Northwestern Division, will be here. They will be our speakers for the evening and will leave plenty of time for questions and answers. Our own Roy Davie KL7CUK is the ARRL Section Communications Manager and hopes everyone will attend. Let's show them how the Great Land appreciates all that ARRL stands for. (You do not have to be a ARRL member to attend.) No-Host cocktails will be available at 6 PM and Dinner will be served at 7 PM. Please contact Olga Watkins KL7IVA by the 15th of July with your reservations if you plan to attend. The cost of the dinner is \$13.25 with gratuity included per person. Send your checks and reservations to:

Olga Watkins phone 753-9127  
21-660 F Apricot St.  
Elmendorf AFB, AK 99506

Also let Olga know if you have some room to put up our Ham friends from out of town. HOPE TO SEE YOU ALL THERE.....

Field Day may already have happened by the time you receive this newsletter, but if you do get it in time, come to the Williwaw Lodge at Wasilla Lake on June 25th and 26th. Bring your families and campers or tents. There is plenty of room available. We have a couple of rooms reserved for operations and rooms will be available for those who don't have their own camping facilities. Food is available at the Lodge at a reasonable price. KL7AA will treat all participants to a hamburger on Saturday. We need lots of help especially for the night shift. Treasure Hunt 7634.

Brian Wick KL7HNM and Steve Norrell KL7IYX have taken our desires for a radio shack to the president of the University of Alaska and acquired one and possibly two 9'x20' portable buildings located near the room we use for our meetings. It's FREE.... We'll let you know more about this later, especially when we need to have some help in fixing, painting, and raising of towers. Remember, our meeting is held at the Consortium Library right on the U of A campus. See June newsletter for map.

Andy Watkins KL7ISB is heading up a task force to tackle the By-Laws revision. If you have any put-ins or suggestions, please contact Andy at 753-9127 after 5 PM.

Ruthe Burg KL7IJD and Brian Wick KL7HNM are getting the roster prepared and putting it in the computer. Please send any changes, additions or corrections to:
