Minutes for AARC Boardmeeting 6-12-91

The meeting was called to order by acting president/activities manager Dianne NL7KN at 7 PM. The following old and new boardmembers were present: Fred KL7HFM; Dianne NL7KN; Arlene KL7HO; Barbara NL7SU; Joan NL7RA; Lil NL7DL; Lance AL7BK; Bob NL7UH; Bill KL7ITI; Fred KL7HM; Mark KL7HD; Bill AL7BB; Rick KL7YF; Larry KL7PX; Fielder KL7FHX. The following club members were also present: Susan NL7NN; Roger KL7HFQ; Doug KL7IKX; Rob KL7JHQ; Harley KL7IZZ; Bob NL7uq.

At June's general meeting, elections for new officers were held. The new officers are as follows:

President Fred KL7HFM  
Vice President: Dan AL7GN  
Secretary: Lil NL7DL  
Treasurer: Fielder KL7FHX  
Activities: Arlene KL7HO  
3-year Board; Rick KL7YF  
1-year Board: Barbara NL7su; Dianne NL7KN; Joan  
NL7RA; Bob NL7UH; Larry KL7PX;  
Eric AL7IM

The new boardmember's duties begin July 1. We did not get a quorum of old boardmembers so we held a "get acquainted" meeting.

Our new president listed his 2 major hopes/plans for the club. 1. Create a yearly calendar of events to be published monthly in the newsletter. This calendar can be modified as needed. 2. Change the AARC's IRS qualification from 501C7 (tax exempt) to 501C3 (non-profit). This will be done by developing our education of future ham operators through club-sponsored classes and by developing our contacts with Alaska Pacific University. Information is currently being gathered on the procedures and requirements for changing our IRS status.

Lance AL7BK stated that the Mt. View recreation center is very receptive to the AARC holding its club meetings there. Advantage: much cheaper. Disadvantage: lack of video equipment. Other future meeting places were discussed, including a room at Alaska Pacific University. We didn't get past the discussion stage since we lacked a quorum.

Lil NL7DL, and Rob KL7JHQ, solicited help for setup and operations for Field Day.

The boardmeeting was closed at 8:30 PM.

Respectfully Submitted,  
Lil NL7DL

# ALASKA PACIFIC UNIVERSITY

June 17, 1991

Mr. Fred Toliver  
Anchorage Amateur Radio Club  
130 West International Airport Rd., #T  
Anchorage, AK 99518

Dear Fred:

Thanks for joining me for lunch on campus. I enjoyed sharing with you the excitement of the new Carr Gottstein Academic Center now under construction. And I appreciated your sharing the history of the Anchorage Amateur Radio Club's scholarship at Alaska Pacific University.

We at APU are very grateful for the commitment and support of the Anchorage Amateur Radio Club. The scholars who received the money last year have been awarded the funds again for the '91-'92 year. They are Russell Joyce and Cherie Logan. They will both be seniors this fall and are outstanding examples of students at APU.

It would be helpful to have the club's gift for fall in hand prior to the end of our fiscal year, June 30, as we strive to meet our annual fund goals and to ensure that the funds will be in place prior to the students' arrival on campus. The financial aid office notifies students of their awards for fall beginning in March.

We also want to be able to recognize the club for their contribution at our Denali Society Donor Dinner and in our publications. I would be happy to arrange for someone from the administration or the student recipients to visit with the club at some mutually convenient time if that would be helpful to our long-term goal of endowing the scholarship.

If you have any questions, please give me a call.

Cordially,

Theresa Whitesell  
Associate Vice President

## 220-222 MHz BAND REMOVED FROM AMATEUR SERVICES AMATEUR OPERATION PROHIBITED AFTER AUGUST 27, 1991

On March 14, 1991, the Commission adopted a Report and Order in PR Docket No. 89-552 to adopt service rules for land mobile use in the 220-222 MHz frequency band.<sup>1</sup> The rules adopted also remove the 220-222 MHz band from the amateur services. These rules become effective May 29, 1991.<sup>2</sup> The Part 97 rules governing the amateur services, however, were waived to permit continued amateur station operation on the 220-222 MHz band in accordance with the former rules that governed operation on that band for a period of ninety (90) days from the effective date of the rules removing that band from the amateur services.

Now that the effective date of these rule changes has become certain, amateur operators are hereby placed on notice that amateur stations may not transmit in the frequency band 220.000 to 222.000 MHz after 0000 hours UTC, August 28, 1991.

Land mobile applications for this band are currently being accepted for filing. Part 90 licenses will be granted as soon as type accepted equipment is available for land mobile operation in this band. For this reason, requests for waiver of the rules to permit continued amateur station operation

1 Report and Order, PR Docket No. 89-552 (FCC 91-74) (released April 17, 1991).

2 Two of the rules adopted have different effective dates. 47 C.F.R. § 90.711 is effective May 1, 1991. 47 C.F.R. § 90.713 is effective July 29, 1991.

in this band will generally not be viewed favorably. Amateur operators were placed on notice September 6, 1988, that they should provide for an orderly transition from this band.<sup>3</sup> When it initiated PR Docket No. 89-552, the Commission warned amateur operators that if the rules proposed to establish private land mobile radio systems in the 220-222 MHz band were adopted, amateur stations would be required to terminate operations at the end of that proceeding. At that time the Commission again encouraged amateur operators to arrange for orderly transition from the 220-222 MHz band to avoid abrupt termination of amateur station operations.<sup>4</sup>

Any requests for continued amateur station operation in the 220-222 MHz frequency band, whether couched as requests for waiver, requests for special temporary authority, requests for experimental or developmental licenses, or in any other form, will be strictly scrutinized in light of the Commission's actions in General Docket No. 87-14 and PR Docket No. 89-552. Any such request must overcome the heavy burden of demonstrating that the arguments made in support thereof are substantially different from those that have been carefully considered in both rule making proceedings.<sup>5</sup> Any such request must include acceptable justification for failing to provide for an orderly transition from the band over the past three years, notwithstanding the Commission's repeated notifications to amateur operators that failure to provide for such a transition could result in abrupt termination of operation.

For further information about this matter, contact the Personal Radio Branch, Special Services Division, Private Radio Bureau, at (202) 632-4964, or the Rules Branch, Land Mobile and Microwave Division, Private Radio Bureau, at (202) 634-2443.

#### FIELD DAY June 22nd and 23rd 1991

Field Day 1991 was a successful, fun Day. Thanks go to all those who helped, planned, set up, operated, cooked and tore down. A Special Thanks to Harley-KL7I2Z and Arlene-KL7HO who furnished the site location. There were many new faces who pitched in to help where needed. How many points or contacts were made, we don't know, but everyone had fun and lots to eat. Thanks Lil-NL7DL for your plotting and planning. Also Thanks to Ed-WL7BOR Past Prez for the work done on the Club Trailer. It looks great!
